Biology 12 Provincial Exam Study Guide Answer

Standardized testing in Alberta was first known to be introduced in 1892 by the government of the North-West Territories (Northwest Territories refers to the current territory of Canada, North-West Territories refers to a prior territory), of which modern day Alberta was originally part of. As a result, currently the territorial governments of the current Northwest Territories and Nunavut ...

Standardized testing in Alberta, Northwest Territories ...

BIOLOGY 12 The intent of the Examination Specifications is to convey to the classroom teacher and student how the Biology 12 curriculum will be tested on the provincial examinations. The Table of Specifications provides percentage weightings for each of the curriculum organizers as well as the cognitive levels that are applied to questions.
