### Lemon Aid New Cars And

Lemon-Aid new and used car/truck guides are unlike any other auto books on the market. Their main objective, to inform and protect consumers in an industry known for its dishonesty and exaggerated claims remains unchanged. However, these guides also focus on warranties and confidential service bulletins that automakers swear don't exist.

### Lemon-Aid

Protections Under California Lemon Law. California lemon law protects new car owners who have purchased a defective vehicle that cannot be repaired after a "reasonable" number of attempts. If you believe a dealership has sold you a lemon car, you have the right to seek compensation for their negligence. Compensation for a lemon car includes having the manufacturer or dealer: Replace or buyback the vehicle; Reimburse you for repair, towing, and rental car costs incurred as a result of ...

### Lemon-aid for New Cars Owners

Lemon-Aid supports TADA's conclusion that carmakers' ads are deceptive. And, as it's coming from Canada's largest provincial new car dealer association with a membership of over 1,000 dealers – that's almost a third of all new car dealers in Canada – government regulators should be listening. More Choice, Better Deals

When a car is found to be a lemon, the automaker is required to reimburse the owner of his or her down payment, all monthly payments, the current registration fee, and any outstanding balance left on the loan of the vehicle. The vehicle is returned to the manufacturer who then brands the title as a lemon law buyback.

### 8 Lemon Car Models That You Should Avoid At All Costs

The Lemon Law covers new motor vehicles, including: • A new vehicle bought or used primarily for personal, family, or household purposes. • A new vehicle with a gross vehicle weight under 10,000 pounds bought or used primarily for business purposes (provided the owner or business has no more than five vehicles registered in California).

Lemon-Aid doesn't recommend diesel cars and new information supports our contention that they are a risky buy. Within a year, diesel fuel will be reformulated to burn more cleanly, as is the case with diesel fuel sold in Europe. Additionally, both Mercedes and VW are expected to re-engineer their diesel engines for the 2007 model year.
